Our Timeline

Help your whānau to understand the events that have marked their history by developing a simple timeline of whānau past.

1. Draw a long line on a large piece of paper and mark the events that the whānau have talked about over the last week in the time order that they occurred.
2. This is a simple timeline that marks the whānau's history up to today. They can look like this:
3. Encourage the smaller children to decorate the timeline with pictures or drawings.
4. When it is completed post the Timeline on a wall and leave it there for the whānau to add to over time.
